PROFESSIONAL SUMMARY

Experienced Financial Analyst with a strong background in finance, marketing, and business. I have worked for EF Asset Management and Activa Asset Management, enhancing my skills in financial market analysis with tools like Bloomberg Terminal and IBM SPSS. My career includes roles in credit consulting, HR, stock trading, retail banking, customer service, and real estate. I am currently pursuing a doctorate at the Entrepreneurship Institute of UNWE, and hold master's degrees in Public Health Management and Business and Economics, along with a bachelor's degree in Business and Economics from UNWE.
